

RAJASTHAN ROYALS ACADEMY AUSTRALIA

Elite Program | Why This Is Different

THE ROYALS WAY

We don't wait for the finished product — we help build it. The Royals back talent early and teach boldly. We develop the whole person — body, mind, skills and life. We value courage over comfort, curiosity over ego, and joy over jargon. Great coaching creates great people, not just great cricketers.

YOUR COACHING TEAM — QUALITY FIRST

Every coach in this program has been hand-selected for their track record of developing players, not just their playing credentials.

Siddhartha Lahiri

Royals Group Head of International Player Development. Performance Coach at Rajasthan Royals (IPL), Assistant Coach at Paarl Royals (SA20) & Barbados Royals (CPL).

Andy Crook

Managing Director, RR Academy Australia. Architect of the program's commercial and strategic vision.

Steven Crook

Director of Talent. 330+ professional matches, 2x T20 Blast champion. County cricket's original power-hitting all-rounder turned elite talent identifier.

Alex Lewis

Head Coach. 20+ years developing players into Premier Cricket & state pathways. Built academy programs from 15 to 100+ players. Cricket Victoria Coach Educator.

ASSISTANT COACHES — CURRENT PREMIER CRICKETERS

Our assistant coaches aren't retired players talking about the past. They are current Premier Cricket players who are living the pathway right now.

They've been through representative programs, state trials and high-performance environments. They understand first-hand what it takes to compete at the highest domestic level — and they bring that knowledge, energy and credibility directly into every session. Your child will be learning alongside people who are doing it, not just people who did it.

WHERE'S THE VALUE?

- A genuine IPL franchise pathway that does not exist anywhere else in Australia.
- Individual Development Plans covering skills, fitness, mindset, recovery and life — not just cricket drills.
- Performance data reviewed by the same Royals Group coaches who develop IPL, SA20 and CPL players.
- Video analysis, biomechanics, sports psychology, nutrition and S&C integrated into the program.
- Potential pathway to the Royals High Performance Centre in Jaipur, and trial opportunities with Rajasthan Royals, Paarl Royals or Barbados Royals.
- 12 weeks of elite-level development timed perfectly as a launchpad into the 2026/27 season.

This isn't just coaching. It's coaching *plus* a pathway that doesn't exist anywhere else. Quality coaches, current players as mentors, world-class methodology, and a direct line into one of cricket's most innovative franchise systems.
